

October 2011

This year we are again holding our fall show at the **Schenectady County Community College** in their **Van Curler Banquet Room (Elston Hall)**. The room is very large, well lit and designed for hanging art work. We will have a lot of visibility as many college, county, and capital district functions are held there. A percentage from sales will not be required by the college. As always, members must be current with dues to enter the show and artwork should be family friendly.

The show will run from **October 28 through December 16** with a flat rate entry fee of **\$10.00** per artist for up to **three paintings**.

There will not be a judge or a reception for this event. Our society would have to provide insurance coverage in order to hold the reception and the cost of the insurance would be prohibitive.

**As you enter the main doors of the college from the back parking lot, there will be a security guard available who can direct you to the Van Curler Room if necessary.**

**Drop off: October 28, 12:30-2:00 pm**

**\$10.00** entry fee per artist for three paintings

Each artist will need to sign a waiver of liability for the college.

**Pick-up: December 16, 12:30-2:00pm**

All art work must be picked up. Neither the college nor SAS can be responsible for art work left at SCCC.

If the drop-off/pick-up times are not possible with your schedule, please make arrangements with other artists or call Karen Cummings at 399-8653.
